**B4** Score the appraisee's capability or knowledge in the following areas in terms of their current (and if applicable, next) role requirements (1-3 = poor, 4-6 = satisfactory, 7-9 = good, 10 = excellent). If appropriate provide evidence to support your assessment. The second section can be used for other criteria or if the appraisee is working towards new role requirements. **Compare scores with the self-appraisal in B4. **B5** Discuss and agree the appraisee's career direction options and wishes, and readiness for promotion, **and compare with and discuss the self-appraisal entry in A5.** (Some people do not wish for promotion, but everyone is capable of, and generally benefits from, personal development - development and growth should be available to all, not just people seeking promotion). **Note the agreed development aim(s):**

**B6** Discuss and agree the skills, capabilities and experience required for competence in current role, and if appropriate, for readiness to progress to the next role or roles. **Refer to actions arising from B3 and the skill-set in B4, in order to accurately identify all development areas, whether for competence at current level or readiness to progress to next job level/type.) Note the agreed development areas:**

**B7** Discuss and agree the specific objectives that will enable the **appraisee to reach competence and to meet required performance in current job**, if appropriate taking account of the coming year's plans, budgets, targets etc., and that will enable the appraisee **to move towards, or achieve readiness for, the next job level/type, or if no particular next role is identified or sought, to achieve the desired personal growth or experience**. These objectives must adhere to the SMARTER rules - specific, measurable, agreed, realistic, time-bound, enjoyable, recorded.

**B8** Discuss and agree (as far as is possible, given budgetary, availability and authorisation considerations) the training and development support to be given to help the appraisee meet the agreed objectives above.

Appraisers should note that personal development and support must be offered to all employees, not just those seeking promotion. Also, training isn't restricted to sending someone on an external course - it includes internal courses, coaching, mentoring (mentoring someone else and well as being mentored), secondment to another role (eg deputising for someone while they are away on holiday), shadowing, distance-learning, reading books, watching videos, attending meetings and workshops, workbooks, manuals and guides, researching, giving presentations; anything relevant and helpful that will help the person develop towards the standard and agreed task. Avoid committing to training expenditure before suitable approval, permission or availability has been confirmed - if necessary discuss likely training requirements with the relevant authority before the appraisal.

**B9** Any other issues (to be covered separately outside of this appraisal):
